CHESBRONIAN

PUBLISHED BY

The Student Body

of

Roberts Junior College

North Chili, New York

For more than half a century all glorious
and grand
Our Alma Mater now has stood an honor
to the land;
Amidst her fields of waving grain, her
fruit trees loaded down,
She stands a noble monument of glory and
renown.

Foreword

The Staff of the 1948 Chesbronian would have you view this book with the aim of making its contents an ever-living reality in your own life.

Our purpose throughout these pages has been to portray our college, its personalities, its work, and its play in the light of its noble ideas — Christian ideals of spirituality, honest endeavor, wholesome work, and constructive leisure.

Whether this book brings back fond recollections of yesteryears or challenges you anew, we trust that your life will be a living testimony of your determination to prove faithful to your Master and to uphold the traditional ideals of your Alma Mater.

Dedication

While hurrying through life we often overlook those of great character who dwell among us. But here we pause to honor one whose greatness is ever present and overflowing, yet is attended with a humble heart and helpful hands.

His cheerful smile and untiring efforts make him a cherished friend of all who know him and an outstanding example of unselfish labor to all with whom he works.

As a token of our appreciation for his enthusiasm, for his sacrificial efforts, and for his unfailing interest in us, the Staff of '48 sincerely dedicates this volume of the Chesbronian to Ralph B. Welsh.

College Sophomores

Someone has said that genius is often only perseverance in disguise. At times during these first two years in college we have longed for that divine spark-genius—but casting aside such wishful thinking, and persisting in our studies, we have achieved our goal — graduation.

Now that the long-awaited time has arrived, our elation at having realized our aim is strangely mixed with reluctance. We are not afraid to face the future. Roberts has implanted within our souls ideals and patterns which will enable us to live successfully; but we have made so many friends and have shared so many smiles and tears on this campus that when we graduate we must leave a part of ourselves behind.

For the future we have pledged ourselves to persist in our pursuit of success—spiritually and materially. We are starting out with an absolute trust in God, pleasant memories of the past, and abundance of faith for the future — to make lives that will be complete.

To Prof. and Mrs. J. Eslie Beeson, whose guidance and enthusiasm have made our fun more pleasant and our business less irksome, our lips say "thank you" for our hearts.

College Freshmen

CLASS OFFICERS
(Left to right)—Hobart Rhinehart, Shirley Schreffler, Charles Saylor, Roger Tessaro

We, the Freshman class of Roberts Junior College are looking forward to becoming Sophomores and assuming the responsibilities that were theirs. As a class, we have worked diligently in the hope of realizing our ambition.

In retrospective view of the past we consider our Freshman year a great success. Our first class function was held at the beautiful site of Hamlin Beach, bordering Lake Ontario. The echoes of merriment from the spacious pavilion still ring in our ears.

Plans were early laid for Freshman-Sophomore banquet and committees were set to work.

For our second semester function we gorged ourselves with an enormous hamburger fry in the dining room. Quantities of pop and ice cream disappeared down hungry throats.

Oh, yes, and who will forget having to get up at the unearthly hour of 12:00 a. m. just to give those fastidious Sophomores a send-off breakfast for their skip-hike.

But our school memories would be sadly incomplete were there not included recollections of our faithful faculty advisers, Mr. and Mrs. C. Alton Dailey. Their loyal cooperation in steering class activities, in helping just where help was needed, and most important, in just being friendly, have won places for them in our hearts.

As we come to the close of another school year, plans for the future begin to occupy our minds. We realize that we are the ones to "carry on". We know we can, and will!

As Seniors we feel in our graduation from High School that we have passed through one more eventful phase of our lives. With commencement, the work and worry are almost forgotten in the memories of the friendships and fun and the wonderful thrill of achievement that climaxes the four years of study.

Wherever next year may find us, each of us will remember with gratitude the contributions Roberts has made to our physical, mental, social and spiritual life.

The laugh-filled chapel programs; the never-to-be-forgotten hayride; the imploring spectators at the basketball games to buy our candy, pop and ice cream; the admiring remarks about our class pins, are some of the many events which will live in our memories.

We owe much of our success as a class to Mr. and Mrs. Bowen, our faculty advisers, who have shared both our work and play.

Here at the middle of our high school life, we the class of 1950 can recall many happy events of the previous two years. Among the good times enjoyed by all the Sophomores this past year was their class function held at Churchville Park. Boating, playing games, and bicycling were the order of the day. Ever since this first function Elsie has been in "Doutt" whether she should go bicycle-riding with Charles Beahm anymore or not! Ask Charlie. Thanks to Miss Rambo for her leadership and cheerfulness which has lent inspiration to the class.

Under the guidance of their class sponsor, the high school freshmen class has enjoyed several varied activities. In the early fall, the whole class took off for Hutchin's woods to spend a day in relaxation and picnicking. Later in the year the rival high school sophomores invited the freshmen to join with them on a hay ride which proved to be great sport for all. Remember those hamburgers and hot chocolate at the Cozy Nook? The class of '51 is looking forward to three more years of work and fun on Roberts campus.

Chesbronian Staff

Our work has taken many hours but every minute has been worthwhile, as we feel that we have succeeded in making our 1948 Chesbronian a summary of school life here at Roberts. We planned and worked for months and never felt such satisfaction as when our final dead-line was past and our work was completed and bound into books that we will all be enjoying for years to come.

Our thanks goes to Mr. Neil Pfouts for his advice and co-operation in making this book a real success.

The Beacon

Celebrating ten years of publication, the Beacon has made great strides since its founding by the Journalism Club in 1938.

Last year, our school paper was changed from three to four columns with column rules added. This year's paper was increased in size by approximately 1000 words.

Under the guidance of Mrs. Cora D. Updyke, the Beacon has retained its high standards and has promoted the best of student relations, besides bringing to its readers a very interesting and all-around picture of life and activities at Roberts.

Senate

To set a high standard of school citizenship, and to co-operate in the general welfare of the school is the aim of our SENATE.

This organization is composed of two students from each of the college classes, two representatives from the high school classes, two faculty members, the president of the Student Association, and the Dean of the college.

The officers and committee heads of the Senate this year were as follows: Chairman, Dean Updyke; Vice chairman and Social activities chairman, Robert Winger; Secretary, Clara Snow; Treasurer, Clarence Barnett; Scholastic activities chairman, John Alden; Religious activities, Douglas Canfield; Athletic activities, Ralph Cromwell; Citizenship activities, Roy Baker.

This governing body was influential in sponsoring a new tennis court, ticket sales for varsity basketball games, and programs on reverence and etiquette. Resolutions, such as the giving of athletic awards, were handled by the Senate likewise.

The Senate also worked hand in hand with the Administration and faculty in handling misdemeanors on the campus and in giving the students a democratic chance in running their own activities.

Roberts Veteran League

The Roberts Veteran League was organized in 1946 and has proved to be a very successful organization upon our campus for the past two years. This league has helped the G.I.'s in getting the greatest benefit of our school life.

As in previous years, the G.I.'s again formed a volley-ball and a basketball team. The year's activities were brought to a close by the giving of a banquet in the Spring.

Once again a G.I. governing Committee was organized to aid in Veterans disciplinary problems. Composing this committee were John Alden, Myles Campbell, Douglas Canfield, Howard Lewis, Frank Kreps, and Richard Weber. Special gratitude goes to Dean Updyke who worked with this committee and who has given much time and thought to the organization.

The Ministerial Association

The main function of the Ministerial Association is to provide instruction and guidance for those who are going into active Christian service or who are vitally interested in this field of endeavor.

The members of the Association are given ample opportunity to develop initiative, responsibility, and practice in preaching through participation in such services as those held at the Jesus Lighthouse Mission, in Rochester, the regular Monday evening meetings and hymn sings.

Some members have received valuable experience in practical Christian work from teaching Sunday School classes at Greece and at other points.

Philosophy Club

Roberts Philosophy Club was first organized on December 2, 1947. In true Greek tradition, the members of the club consider themselves lovers of wisdom in quest for truth. They have accepted the challenge of Socrates "Know thyself", because as Socrates said, "an unexamined life is not worth living." The first consideration of the club concerned those searching questions of John Ruskin, "Whence did I come? What am I? Whither am I going?"

Besides this, the club has discussed at great length the problem of Communism, its history, and its bearing upon man today and upon man in the future; likewise the problem of evolution has been a topic of discussion.

All its members agree with Lord Bacon, "A little philosophy inclineth a man's mind to atheism, but a depth of philosophy bringeth man's mind about to religion."

Debate Team

Roberts Junior College Forensics under the direction of debate coach, Professor J. Eslie Beeson, entered inter-collegiate competition with great interest this year. The topics for debate and discussion were: Resolved, that the Taft-Hartley Labor Bill is unfair to organized labor unions; and Resolved, that a Federal World Government should be established. After defeating Oswego Teachers College in their first home appearance, the team journeyed to the Geneseo College campus and participated in a panel discussion with members of the G. C. speech class. On March 12 the team traveled to Oswego Teachers College campus in a return match. The R. J. C. team ended its forensic year on March 19, by debating with Houghton College.

Messiah

On Sunday, December 14, 1947, a chorus, consisting of students and community folk, presented Handel's "Messiah". The group gave their concerts in the Holley Baptist Church in the afternoon and in Cox Hall chapel in the evening. Mrs. Dale Rhome sang the contralto solo and three guests from Houghton College, Alice Wright, Virgil Hale, and Stanley Clattenburg, sang the soprano, tenor and bass solos respectively. Under the direction of Mrs. Marian M. O'Brien the chorus of some 100 singers brought Handel's masterpiece to a joyous completion by rendering the final "Hallelujah Chorus". Miss Evelyn Gott was at the piano and Mr. Tom Grierson, of Rochester, at the organ.

School Band

Our twenty-three members, under the leadership of Charles Lucie, did much to add to the spirit of our games. Practices were held every Monday night, and the band played at almost all varsity games. A few chapel programs were presented by the band, including a welcome to the visiting Spring Arbor team.

A Capella Choir

Thirty-four maroon-robed choir members under the direction of Mrs. Marian O'Brien this year took their message of song to many thousands of people over New York, Pennsylvania, New Jersey, and Virginia.

Because of the purpose of the organization, the repertoire of the choir is composed entirely of sacred music. This year's theme of the program was a choral adaptation of "Christian's" experiences as taken from "Pilgrims Progress."

Beginning their concerts early in January and being booked to the middle of May, the choir has sung on the average of twice every Sunday. The annual spring tour was directed southward to Philadelphia and Washington, D. C. This exceptionally full season was climaxed by a home-coming concert given on May 30.

This organization has been a wonderful means of Christian fellowship to its members, a challenge to its leaders, and a blessing to all.

Quartettes

The 1947-1948 Evangel and Ambassador quartettes have played an important role in the field service of the college this past year. Not only have they represented R. J. C. and interested students in our school, but they have also efficiently aided the Rev. W. N. Jordan, the field representative, in soliciting funds for the new four-year college.

The women's quartette has worked hand in hand with gospel teams, in their visits to numerous circuits in this area.

Pre-Med Club

Students registered for any science course were eligible for membership in the Pre-Med Club. The membership this year consisted primarily of students who are interested in a medical profession.

The main activities for the year were the making of afghans and towels for the Veterans' Hospital in Batavia and the sponsoring of a collection for the Red Cross. Each member took his turn at attending the booth.

Commercial Club

The Commercial Club is an organization in which students may put into practice the principles of business. Future business men and women, stenographers, bookkeepers, and typists united in a study of the business world.

This year's program included the purchasing of tiny gold pins as a distinction of membership, several exciting social events and the sponsoring of the films, "Basic Typing Methods", "Typing Shortcuts", and "Search for Security". Membership in the club was open to anyone taking a business subject.

Football

With the final gun of the last game on Thanksgiving morning, this year's football season drew to a close. The honors this year were given to the victorious Red team.

To attain this championship it was necessary to trample on an ever-fighting, tough Black team for four or more of the seven possible games. The final tally worked as follows:

The Reds got off to a good start by taking the first two games 6-0 and 7-0. The Blacks held them to a scoreless tie in the third and rallied to take the fourth game 12-0.

The vital game on Thanksgiving Day resulted in one of the most exciting, hard-fought games on Roberts campus. The Blacks needed but to win, to force the series into one more final game for the supreme decision.

The Reds were out to win and did so by a score of 12-6 and also the series for 1947-48. All in all true sportsmanship and good clean play characterized every Saturday game.

Girls' Basketball

The preliminary skirmishes to the regular varsity games were engaged in by the girls' and boys' basketball teams. Each team was greeted by a round of cheers as they came on the court to test the strength of their opponents. Because of the keen competition between the teams, every game was packed full of excitement and suspense.

From the very outset of the series the Red girls were determined to recapture the victory which they lost to the Blacks last year. With the help of Art Horwood, as their coach, the Reds achieved their ambition. These several victories were spear-headed by the high scores of Ruth Jordon, Irene Frisbie, Mary Ridall, and Gratia Holtz.

The most heart-breaking game of the season was the first one which ended in a score of 21-20. In the other games of the series the Blacks were no match for the fast-moving, hard-hitting Red team. The losing team, however, exhibited genuine sportsmanship and good basketball technique. The girls who set the pattern for the Blacks were Bea Clement, who averaged 11 points per game and Eleanor Brewer who ran a close second.

At the end of every basketball season, a varsity is chosen from both school teams to play against a team from the community. These games are always a source of interest because, although the school team has never been able to win the series, the competition becomes greater every year.

This year's varsity was as follows:

Junia Pruden	Lila Reining	Irene Frisbie
Mae Marsh	June Brunk	Gratia Holtz
Jeannie Taylor	Ruth Kingcaid	Marian Thuline
Connie Larson		Bea Clement

Boys' Basketball

The Reds have done it again! For the third straight year the Reds, captained by Herb Hendricks, have captured the intra-mural cup by defeating the Blacks.

Captain Douglas Tullar's cagers couldn't seem to stop the fast-moving Red five. However, all the games were hard-fought, exciting encounters with good play on the part of both teams.

In the first and second, the best out of the series of five, the underdog Blacks fought to a 37-35 and 32-31 victory. In their third encounter, however, the Reds started on their campaign which led them to the championship, winning by a 45-40 count. Following this the Reds took the two needed remaining games, 46-42, and 42-19 respectively.

The Blacks gave a good account of themselves but lacked the punch to finish on top.

Varsity Basketball

This year's varsity was an aggregation with potentialities that in a good many instances flared forth and made it unbeatable. With the exception of the last game played with Genesee Junior College, our cagers have maintained a record of being undefeated on their home court during the past season. The team displayed the fine Christian sportsmanship which characterizes the athletic department here and the entire school.

Immediately after the tryouts early in the fall, the squad began intensive training under the guidance of Coach Alexander. On Nov. 15 the Roberts Raiders fought their way to victory by upsetting the Caledonia Baptist Church team 51-31. In their first encounter with Genesee and a second one with Caledonia, the Raiders suffered setbacks which only spurred the team on to capture the next nine consecutive games from accurate-shooting and excellent ball-handling opponents. Despite several other reverses near the end of the season the quintet successfully rolled up a record of 14 wins and 5 losses. Such victories were made possible by the hard-hitting spirit of the team and by the careful coaching techniques.

After a rousing farewell on the evening of February 13, the Roberts basketball varsity left by Greyhound for a trip to Spring Arbor, Michigan. This was the first leg of their journey to McPherson, Kansas, for the Tournament of Free Methodist colleges of North America.

The Roberts five were victorious over Spring Arbor Junior College for the third time this season. February 17 found the team at Central College. Roberts was unsuccessful in five starts in the tourney, but was awarded the team sportsmanship award.

Each man who was privileged to make this jaunt feels that his life has been deeply enriched by the experience.

Go! Roberts, Go!
Go! Roberts, Go!
Hit 'em high! Hit 'em low!
Go! Roberts, Go!

And Roberts did go! With cheers led by the three peppy cheer leaders, how could they help it. Too bad they weren't at Kansas.

The girls, Virginia Burns and Marie Reining, wore black ballerina skirts and white sweaters with big chenille "R's". "Windy", the cheer king, wore trousers with a sweater like the girls'.

Spectators enjoyed the cheers such "Oh, fight!" which Windy introduced by walking out on his hands.

By their precision of movement, their rhythm, and high enthusiasm the cheer trio was the means of spurring the varsity on to good teamwork and often to victory.

Tennis

One of the sports enjoyed by many on the campus including faculty and students alike, is tennis. Last fall, tennis fans showed a real interest in the sport by participating in the tournament, both singles and doubles.

In the singles, the last set was played between Ray Evans and Bruce Blowers, with Blowers the victor. The scores of the sets were Evans 6-4 and Blowers 6-2 and 6-0.

Ray Evans and Frank Kreps were the winning partners in the doubles. Their victory over Harry Frederick and Quentin Bucher in the final playoff was 7-5.

Since the re-surfacing of the second court, both courts have been kept in constant use during playing season.

FALL – WINTER – SPRING – SUMMARY

Sept. 10	Registration week. An all-time record of 270 students spends the day standing in lines and filling out blanks.
Sept. 12	Bud Lucie establishes his reputation of "campus giggler" at the reception for new students.
Sept. 13	Big brothers and sisters take new-comers on picnics. Girls go to Cedar Springs; fellows, to Genesee Valley Park.
Sept. 14	Convocation service for the 1947-48 school year given by Dr. R. R. Blews.
Sept. 18	Sophs reluctantly witness the burning of their flag as Frosh proclaim themselves victors in carrying out class flag tradition.
Sept. 19	Faculty gathers at Hamlin Beach Park for a chicken dinner.
Sept. 20	Fellows draw numbers for Blind Date dinner followed by a program at Cox Hall – Giggling trio entertains.
Sept. 23-24	Lowly Frosh taken down a peg by Honorable Sophs during two days of initiation.
Sept. 26-27	Campus empties as students leave for Overnight Hikes. Girls head for Bristol Hills and boys for Silver Lake via Bristol Hills.
Oct. 18	All had fun on class functions despite damp weather. Frosh left before the rain started; Sophs waded until it stopped.
Oct. 28	A tree grows to our Hallowe'en Party – Miss Roth, our Registrar, receives prize for cleverest costume.
Oct. 31	Much excitement aroused in class rooms as public-address system is heard for the first time. Miss McGrew announces that the 4-Year College Plan has been approved.
Nov. 27	Tie game 6-6 wins football series for REDS. Gordon Aiken makes his goal and ties with Grace Collins. O happy day for all "Reds"!
Dec. 14	Chorus composed of students and community folk presents "The Messiah" at Holley, N. Y. in the afternoon, and Cox Hall at night.
Dec. 18	Coach Alexander lifted high as Varsity and cheering students express their joy of our victory over Genesee Junior College. We aimed to win, and we "dood" it.
Dec. 19	New members of Science Pre-Med Club undergo initiation. Lucia and Dottie sure know their stuff . . . ings. Both come through with perfect scores.
Jan. 6	We return from our Christmas vacation to welcome Rev. W. N. Jordon, our new field representative. Ralph leaves Jerry for Jeanne.
Jan. 19	Exams – Ugh! Vida Belardi claims scholastic laurels with 4. average.
Jan. 26	New semester begins with nine new students.
Jan. 31	Alumni-Varsity game. Varsity leads.
Feb. 5	Spring Arbor visits campus. Yea Roberts – we "dood" it again!
Feb. 13	Sophs leave for Skip Hike at Allegheny State Park where Junie decides to make skiing her profession. The few remaining students give Varsity send-off on their trip to McPhearson.
Feb. 14	The Backwards Party comes just in time to give the lonesome Frosh something to do. Mary Ridall wins title of "Feather Weight Champion", and John Alden takes steps to avoid the leap-year rush. Ethel May aims for Mr. and misses.
Feb. 19	Music Recital.

March 1 — Roller Skating Party.

March 2 — Clinic orders new supplies.

March 4 — I spent two hours writing this calendar.

March 5 — Wedding bells ring once again — This time for Harriet Vander Mark and Ray Buckley.

March 6 — Fellows entertain girls for Open House.

Keep all those chins up, Lee, Herb, and Joe,
You can paint your room in a week or so.

March 8-14 — Rev. Elmer D. Riggs holds Spring Revivals. Many students won to Christ.

March 17 — Package for J. Baker. For the fourth time this year Jim goes to the post office and finds that the package was for Johnny.

March 18 — Piano and voice recital.

April 2-12 — A Cappella tour and Spring Vacation —

"We only part to meet again."

April 17 — School day party. Roberts Students find novelty in acting like kids.

May 1 — May Day. Field Day. Mae Marsh crowns new May Queen.

May 7 — Fond are the memories of that momentous evening spent midst the atmosphere of the Netherlands and in the shadow of a stately windmill. The best in food and entertainment was heartily enjoyed by all at the Freshman-Sophomore, All-College Banquet.

May 15 — Juniors invite Seniors to join them for an evening under a rainbow. Junior-Senior Banquet a huge success.

May 24 — High School and College Move Up Day. Sophomores give their front seats to Freshmen. We'd like to stay, but there's just no room for us.

May 27 — Senior Class night. Their success was earned by the hours spent in preparing for it.

May 28 — Sophomore Class presents Class Night program. Theme: "In God we live and move and have our being."

May 29 — Alumni Banquet. This is certainly a "full" month for the graduating classes.

May 31 — Commencement.

The happy never say or hear said Farewell
But fate has destined that the best of friends must part.

June 5 — Our class went to Silver Lake. We rollered skated, boated etc.

June 12 — High school department went on the Colbert Trip. Crossed Lake Ontario in a fleny.

Dear Ruth, We have had some fine times together, I wish we could be looking forward to one next Sept. We'll miss you. Love Eva Fairbanks

ROBERTS, *A College With a Mission*

Proposed New Chapel and College Administration Building

Expansion Program

Chapel and College Administration Building	$300,000
3 Unit Dormitories for Women	150,000
Laboratory and Library Expansion	20,000
Music Department Facilities	15,000
Home Economics and Milk Processing Facilities	15,000
	$500,000

These Facilities

Needed for any expansion of the present junior college program.

Essential for the anticipated four-year college program which, it is hoped, can be begun in September, 1949.

Opportunities and Responsibilities

One-third of the population of the U. S. is in the area served by Roberts.

Many young people seeking admission to evangelical colleges cannot be accepted for lack of room.

Our national life will be more completely secularized as more students attend college unless the evangelical colleges also enlarge their registration.

Present Offerings

Two-year liberal arts and professional college courses.

Two-year college courses in Religion, Music and Business.

Four-year standard high school course.

Evangelical Christian program, pleasant accommodations and surroundings and adequate self-help opportunities.

Dear Ruth:
Remember all the good times you had at Roberts.
Hope to see you back next year. Good Luck
Sue Isaac

June 15, 1948

Dearest Ruthie,

Well now comes this pleasant duty of writting in your year book. I may as well start out with my column of Always Remember's but before I do I want to tell you I love you a lot. We have had some wonderful times together this year and certainly many memories of Dear old Roberts.

Always Remember:
The nights I used to spend in your room talking when you roomed with Eleanor.
The time you went home with me.
I just about pushed you out of bed. The ride we had (on) (in the) (about 1 o'clock) (with you) made. The night of the school dance - Oscar + Dave - our talks about Mary and Herb. walks to the district school in the moonlight and the people we talked about - Oscar + Dave - our walks to school in the morning - Sunday walks - the we walked (on) (in the) (about 1 o'clock) (with you) (during graduation) first time you ever milked a cow. the first time you stayed with you during graduation judge - Poor Art "Ellen". The night a Buffalo on the way home. After long my dressing my hair. Also our long Sunday walks - the marathons and the all the time we were in Ripley - Also our long Sunday walks - the marathons and the all the time we were in Ripley - Also our long Sunday walks - the marathons and the all the time we were in Ripley -

and Hope to see ya
next year
Loads of love
Helen

Dear Ruth—
I wish that I could tell in rhyme
what my heart would have you know
But pinker to make a shorter time
I say, "It's been nice knowing you."
Elizabeth Mayer

Dear Ruth.
It's been swell knowing you. We've had
fun together. Haven't we? English Class
a scream! Continue to be good!!???
The best to you!
Love,
Joan

(Just me continued)
Remember the night
of the accident? You slept with
me that night - We actually have
been awfully close this year. Well
if we don't see each other anymore we
can at least plan a meeting over there. Which will
be glorious where it will be eternal day. Things are
to be separated to the ends of the earth. may our happy days
always be remembered. may "the love of God" go with you

Goodbye.
From one of
your dearest friends

Goodbye -

Dear Ruth;

Never forget the times we had at Roberts. They were wonderful. First of all the things that come into my mind I is the bike ride to city. I want to see you again this summer. I'll certainly be happy if I can see you. And I sure would be happy to know you. And I pray God will bless you in everything that you do.

Remember:

The times we went to the castle.
The times we walked to the city.
The way we hollered back and forth at each other between our rooms and stuffin' things through the cracks.

Especially I'll never forget when we were roommies and the way you went to the room. Hmmmmmmmmm; I wonder how Jenks and the mustache that was so funny and goggle-eyed. The dinners we had together at that extra bed of yours. I sure was comfortable. Thanks for letting me occupy your bed. I sure appreciated your help always. You and keep you. I'll never forget you. I'll never forget when we were roommies. Darling, I'll be looking forward to the time when we take nursing together.

Love
Clara
